- Tests are conducted by a state-certified lab.
- Bacteria results will be returned from lab approximately 1 week from testing.
- Lead and Nitrate testing can take up to 3 weeks to be returned from lab; however, can be expedited to 1 week turn around for a fee of \$10.50.
- *If testing for lead, do not run any water for 8 hours prior to test.
- Do not chlorinate well 72 hours prior to testing. If there is any indication of chlorine in the drinking water, we will not be able to perform testing.
