XI. Old Business: None

XII. New Business: A. Proclamation to Honor Rita Spahlinger

WHEREAS, Rita Spahlinger was a dedicated Public Health Nurse with the Trumbull County Combined Health District for 21 years before retiring in January 2021; and

WHEREAS, while working at the health district, Rita was a skillful instructor for the Car Seat and Cribs for Kids programs and served as the lead for the immunization program; and

WHEREAS, at the start of the COVID-19 pandemic, she spent countless hours working in the community administering vaccinations, conducting contact tracing and case investigation; and

WHEREAS, after her retirement, she continued to volunteer her time to the health district working at COVID-19 vaccination clinics to assist the health district in assuring that the vaccination clinics were adequately staffed, which freed up valuable staff time for other programs; and

WHEREAS, we, the Trumbull County Combined Health District, have benefited immensely from Rita's hard work and dedicated service to our agency and the residents of Trumbull County, not only through her tenure at the health district, but also her volunteer service during a very difficult and stressful time;

NOW, THEREFORE, we, the Trumbull County Board of Health, do hereby thank and recognize Rita Spahlinger on her inspiring example of commitment to excellence and service to Trumbull County.

The Board also presented Mrs. Spahlinger with a gift and expressed their gratitude for her service.

B. Election of Officers – Mr. Biery called for nominations for President and President Pro Tempore

Nomination was made by Dr. Firster of John Messersmith as President of the Board. Being there were no further nominations, nominations were closed. Vote was taken by acclamation, and Mr. Messersmith was elected Board President.

Nomination was made by Dr. Firster that Mr. Simon be President Pro Tempore. Being there were no further nominations, nominations were closed. Vote was taken by acclamation, and Mr. Simon was elected Board President Pro Tempore.

C. Approval of 2022 Budget – *MOTION: 22-48* made by Mr. Biery, second by Mr. Borocz to approve the 2022 budget as presented.

Mr. Dubos questioned as to whether the attorney fees being paid out of Fund 950 and 972 were for our attorney, Mr. Migliozi responded that yes, those fees would be for our attorney.

Mr. Messersmith questioned as to where in the budget would be the monies for any potential relocation. Mr. Migliozi responded that those expenses would primarily come out of Fund 950, which is the general fund, but would also come out of environmental funds. Mr. Messersmith questioned on the 2nd page, Total Revenue and Total Expenses it shows approximately \$94,000.00 difference, but in today's financial report, it shows over \$207,000.00. Mr. Migliozi explained that the budget presented is a projection, and that in monthly report figures, those show funds that have carried over from 2021. Mr. Messersmith suggested putting in the expenses for the previous year versus the current year on the monthly reports.

Roll Call Vote:

Mr. Biery - Yes
Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

Motion carried.

D. Request to Address the Board – Amy Yuricek, 2461 Milles Graber Rd., Newton Twp. – Atty. Kurt Latell – Atty. Latell, Ms. Yuricek's legal counsel, and Ms. Yuricek were present. An administrative

hearing was held with Ms. Yuricek regarding a camper being used as a residence without the benefit of a sewage system. Board's Findings & Orders were issued ordering Ms. Yuricek to submit all paperwork, obtain a permit to install and to have a septic system installed within 90 days, weather permitted; or, remove the trailer/camper from the property. Subsequently, Atty. Latell submitted a request to address the Board regarding those Findings & Orders.

Atty. Latell stated that the property was purchased in 2008, there is a barn and some other structure, but Ms. Yuricek lives in Warren and works at the library. She goes to the property to take care of the property, and a friend, who lives out of state, comes on the weekends to help. Ms. Yuricek purchased a 34 foot camper and parked it on the property, and uses it when she, or her friend, goes to the property. They use it to get out of the weather, rest, etc., and may at times spend the night, but no one is living there. Atty. Latell stated that his contention is that the camper is not a building, and not a structure, and poses no threat to public health, and by definition is presenting a public health nuisance. There is no plumbing, the camper has a self-contained storage tank for a toilet, which is drained by a sanitary serviceman. Never does any of the waste from the camper get discharged on the ground. There is nothing to show that the camper is causing a nuisance. Following discussion, Mr. Wilster stated that the health district had discussed the matter with the Ohio Department of Health, and they agreed with the Findings & Orders that were issued regarding this property. Upon further discussion, Atty. Latell and Ms. Yuricek agreed to disconnect any water to the camper as a solution to the matter.

MOTION: 22-49 made by Mr. Simon, second by Mr. Dubos that upon the verification of disconnection of any water source to the camper on the property at 2461 Miller Graber Rd., Newton Twp., the Findings & Orders issued on January 31, 2022, will be rescinded.

Mr. Hedge stated that the township's concern was about someone living in the camper, and Mr. Wilster added that the water source could not be disconnected and then reconnected. Atty. Latell and Ms. Yuricek acknowledged that they understood.

Roll Call Vote:

- Mr. Biery – Yes
- Mr. Borocz – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

E. Variance Request – Rachel Perkins, 529 Potic Dr., Warren Twp. – Not present. Ms. Perkins is in the process of upgrading the septic system at this property. This area is slated for sanitary sewers in the future, so the upgrade will consist of a temporary fix to the existing system, which was to install a new 1,000-gallon septic tank if needed, replace any missing baffles and install riser(s) on the septic tank(s) if not already above grade. The owner was ordered to have the tank(s) pumped annually and submit receipts to our agency, have the system registered on our O&M program and allow for an annual inspection of the system, and connect to the sanitary sewer when the sewers become available. Upon

laying the system out, it was determined that the septic tank could not be installed to comply with state code setback requirements, and would be 30 feet 6 ½ inches from the private water system. A variance would be required to allow this installation.

MOTION: 22-50 made by Dr. Firster, second by Mr. Borocz to grant a variance from rule OAC 3701-29-06(G)(3) to Rachel Perkins to install the septic tank at 529 Potic Dr., Warren Twp., within 50 feet of the existing private water system. The owners must comply with all other code sections.

Roll Call Vote:

Mr. Biery – Yes
Mr. Borocz – Yes
Mr. Dubos – Yes
Dr. Firster – Yes
Mrs. Salapata – Yes
Mr. Simon – Yes
Mr. Messersmith – Yes

F. Declaration of Unfit for Human Habitation & Danger to Public Health – 50 Redfern, Liberty Twp., Joseph & Tamika Fussell, Owners – Mr. Joseph Fussell is deceased, and Ms. Tamika Fussell was reported as incarcerated in the Trumbull County Jail. Major Jeff Palmer of the Trumbull County Sheriff's Office was present via Zoom. A request was made by the Liberty Township Police Department to determine if the structure was fit for human habitation and a danger to life and health. The inspection occurred on February 25, 2022, and was conducted Liberty Township Police. Upon inspection the officers noted a large amount of dog feces in the house, and could smell the residence from outside. The on scene officers also reported that the interior and exterior living areas were in deplorable condition, and the officers noted drugs, drug paraphernalia and firearms in the dwelling. Major Palmer was present via Zoom to attest to the pictures and the unsanitary conditions that were noted by the officers. Major Palmer stated that there was standing water and mold in the basement and other rooms. Dog feces was found in several locations in the house, and officers had to shovel feces to get through the garage. There was an elderly couple who were allowed to remain in the house, but Major Palmer stated that he did not know if they were still there. Mr. Wilster asked Major Palmer if Liberty Police verified the pictures, and he responded yes.

MOTION: 22-51 made by Mrs. Salapata, second by Dr. Firster to declare the structure at 50 Redfern, Liberty Twp., unfit for human habitation and a danger to life & health. The property owner must secure and make improvements, or raze the structure within 60 days. Failure to comply will result in the matter being turned over to the court of competent jurisdiction.

G. Declaration of Unfit for Human Habitation – 559 Jackson, Hubbard City, Michael Lacivita, Owner – Not present. A request was made by Hubbard City Officials to determine if the structure was fit for human habitation. An inspection was conducted on February 25, 2022, and upon inspection, the inspector noted that the flooring in the kitchen was a fall hazard, paint was flaking off the walls and ceilings, mold & moisture contamination, and the electrical components were not working. The inspector also noted that the house has sat empty for a long time and has become unsafe.

MOTION: 22-52 made by Dr. Firster, second by Mr. Simon to declare the structure at 559 Jackson, Hubbard City, unfit for human habitation and a danger to life & health. Property owner must secure and make improvements, or raze the structure within 60 days. Failure to comply will result in the matter being turned over to the court of competent jurisdiction.

I. Declaration of Unfit for Human Habitation – 455 Prentice, Champion Twp., Terry Bowen, Owner – Mr. Bowen was present via Zoom. A request was made by Champion Township Zoning to determine if the structure was fit for human habitation. An inspection was conducted on February 14, 2022. Upon inspection, the inspector noted missing roof and/or exterior finishes and the inside of the structure was completely filled with junk. Mr. Hedge stated that he was unable to gain access to the inside of the structure, but was able to take the pictures through the windows. Mr. Bowen stated that that the house had been broken into several times while he was away, and he had been getting the junk removed. Mr. Bowen added that his wife had passed away, and he was unable to find the deed to the house, but he would take care of it and have the house torn down.

MOTION: 22-54 made by Mr. Biery, second by Mr. Simon to declare the structure at 455 Prentice, Champion Township, unfit for human habitation.

Dr. Firster asked that someone speak with Mr. Bowen, and explain how this process will work. Mr. Bowen provided his telephone number so that someone could reach out to him and explain the process.

Health Commissioner's Report – March 23, 2022 Board of Health Meeting

1) Budget/Financial

- Attached is the monthly financial report for February 2022. The general fund is at a positive cash balance of \$207,324.52, and our all fund balance is at \$2,968,697.24.

2) Credit Card

- Quarterly update on the credit status has not changed.
- For the credit card transactions, please see the list of bills.

3) Vehicles

- Attached is the cost analysis for the month of February for the vehicles. The overall cost savings with the vehicles, for the month of February was a negative \$654.74.
- The six replacement vehicles have been ordered from Mark Thomas Ford, but their estimated delivery date is not until August.

4) Building/Grounds

- None.

5) Union/Management

- None.

6) Policies/Procedures – Revisions - None

7) COVID-19 (Coronavirus)

- Case rates have continued to remain low for the last two weeks. We have been averaging 73 cases per week, which has been the lowest case rate that we have seen since July of 2021.
- CDC developed a new Community Level Prevention Strategy for each county in the country. The strategy was developed by looking at each county's case rate, COVID hospitalizations and hospital capacity, and CDC updates each county's strategy weekly. The strategy has been in place for three weeks, and is based on a three color system: Green = Low Transmission Rate / Yellow = Moderate Transmission Rate / Orange – High Transmission Rate. During the two weeks, Trumbull County was "yellow", which meant to take moderate steps to reduce the risk of infection such as high-risk individuals are recommended to wear a mask. Last week, Trumbull County moved to "green" due to a drop in hospitalizations. With the "green" designation, masking is not required. Our schools were informed of this, and all have gone to masks being optional. The state also eliminated the reporting requirement for schools to report COVID-19 cases to parents and the local health district.
- We received test kits and have been working to distribute them to anyone in need. We also have been working in conjunction with TCAP and Monument of Faith Church with distribution of the kits in the high social vulnerability index areas.

8) Accreditation

- Our primary focus has been on our quality improvement (QI) projects, which include an administrative project, as well as an environmental project to streamline the household sewage treatment system application process.
- We have brought a number of new collaborators to the Wellness Hub, including OneHealth Ohio, one of the federally qualified healthcare centers (FQHC) in our area, as well as The Healthy Community Partnership. We are currently developing the content calendar and will be hosting monthly stakeholder meetings to push engagement and bring more collaborators to the hub.
- We have completed the focus group conversations, and we are working with the consulting firm to circulate surveys to collect primary data for our community health assessment.

RE: Board Report (03/23/2022)

- **Accreditation:**
 - **Strategic Plan:**
 - Partially fulfilled priority 3, goal 1, objective 3.2, action plan 3.2.2 as we have in collaboration Steve Pelton and hChoices developed a monthly content calendar to frequently and consistently update the wellness hub with the latest event calendar and available resource information regarding healthcare resources available in Trumbull County.
 - The local FQHC (Federally Qualified Healthcare Center) One Health Ohio has initiated contact with the TCCHD through the wellness hub initiative to begin to market its services and resources, while also collaborating with the TCCHD on other potential initiatives.
 - **Performance Management:**
 - The Performance Management quarterly meetings to discuss and assess our progress towards all our stated objectives have been scheduled for the entire year, and the first meeting is slated to occur on 3-30-2022.
 - **Re-Accreditation Modules:**
 - Continued work on the PHAB (Public Health Accreditation Board) Re-Accreditation modules to learn the new process for re-accreditation.
 - New PHAB Standards and Measures version 2022 for both accreditation and re-accreditation have been officially vetted, amended, and subsequently released for all health departments to begin their respective accreditation or re-accreditation process.
 - The TCCHD currently will now adhere to re-accreditation version 2022 for guidance.
 - **Workforce Development:**
 - The Workforce Development initiative is slated to begin in July of 2022. The committee will meet on a bi-monthly basis to formulate the new document for accreditation purposes.

- **Quality Improvement:**
 - The accreditation committee convened on 3-9-2022 to discuss the new QI document. We have nearly reached a consensus on the QI maturity Tool/Survey which will be utilized for the next 5 years to gauge and improve the QI culture within the TCCHD.
 - The QI website re-design sub-committee held another meeting on 2-18-2022 to further reassess the newly re-designed website. The committee agreed to remove the current search bar attachment, and move forward with the employee directory with email hyperlink initiative.
- **Community Health Assessment/Community Health Improvement Plan**
 - Under the current Community Health Improvement Plan I have continued to meet with several identified agency leads on the initiatives outlined in the plan, and received numerous updates on the progress associated with those initiatives.
 - I am still currently working with CHA/CHIP Secondary Data subcommittee to identify all the necessary secondary data sources needed for the CHA/CHIP documents. I am also working temporarily with the survey group and stakeholder subcommittees to address a few components of the initial survey rollout to the public. A draft flyer for community buy-in and participation is currently in circulation for vetting amongst the survey group committee members.
- **Covid -19 Mitigation**
 - Participated in the Eastwood Mall and On-Site Location afternoon and weekend Covid-19 vaccination clinics.
- **EHSIT/REHS Endeavors**
 - Currently I am scheduled to shadow 2 fellow sanitarians to fulfill my 5 needed monthly SIT inspections required through ODH for licensure.
 - I have requested and submitted payment for my Registered Environmental Health Sanitarian (REHS) exam. I have received approval to schedule and take my REHS examination.
