

**Trumbull County Board of Health – Regular Meeting**  
**September 28, 2022 – 1:00 PM**  
**176 Chestnut Ave. NE \* Warren, Ohio 44483**

**Due to the Ongoing COVID-19 Pandemic, this Meeting was Held Via Zoom Conference Call. Not all Participants May Have Attended the Meeting in Person.**

**This Meeting was also Live Streamed on the Health District’s Facebook Page.**

**BOARD MEMBERS PRESENT:** Robert Biery, Jr.  
Gregory Dubos  
Dr. Harold Firster  
Kathy Salapata, RN  
John “Jack” Simon, Jr., President Pro Tempore  
John Messersmith, President

**BOARD MEMBERS NOT PRESENT:** Thomas Borocz

**STAFF:** Frank Migliozi, MPH, REHS, Health Commissioner  
Sandra Swann, RN, Director of Nursing  
Kristofer Wilster, MPH, REHS, Director of Environmental Health  
Jenna Amerine, MPH, CHES, Grants Coordinator  
Daniel Bonacker, MPH, REHSIT, Accreditation Coordinator  
Kristopher Kriebel, MS, CHES, Health Educator  
Daniel Dean, MBA, CPA, IT Specialist/Fiscal Officer  
Stacey Altieri, Family Support Specialist  
Johnna Ben, Administrative Coordinator

**MINUTES**

- I. **Board of Health Continuing Education – “Governance Action for Public Health “ Module 1 of 4**
- II. **The meeting was Called to Order at 1:30 PM, and the Pledge of Allegiance was said.**
- III. **Adoption of Agenda: MOTION: 22-159** made by Dr. Firster, second by Mrs. Salapata that the agenda be adopted as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith - Yes

Motion carried.

IV. **Approval of Minutes: MOTION: 22-160** made by Mr. Biery, second by Mr. Simon to approve the minutes of the August 10, 2022, regular meeting, as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

V. **Health Commissioner Report:** Mr. Migliozi provided a written report to the Board for their review. In addition, Trumbull County's CDC county ranking for COVID decreased from the high level of orange to the medium level of yellow, as our cases continue to drop. COVID-19 weekly cases dropped from approximately 226, to approximately 142 as of Monday morning; therefore, there is no longer a recommendation for indoor masking except for those immunocompromised individuals.

At the fall Association of Ohio Health Commissioners Conference, the state health department recognized each local health district and gave each Health Commissioner a Public Health Hero Coin, and each employee a Public Health Hero pin.

Ohio is paving the way to allow local health districts to becoming an academic health district. That would involve a health district partnering with a university where they would help promote public health as a career path for students. This would be done through a collaboration with interns, and it would not be limited to public health programs, it would also involve services that local health districts may need, but do not traditionally do such as marketing, journalism, etc. Mr. Migliozi stated that he expressed an interest in partnering with Kent State University, and he will keep the Board updated as this progresses.

We have received some preliminary indication regarding our state audit that there will be no findings against us, and it was a clean audit. Mr. Migliozi credited Johnna Ben and Dan Dean for their efforts that they put in making adjustments from past audits.

Mr. Migliozi stated that he had written in his report that we had received 4 of the Ford Escapes from Mark Thomas Ford, but since his report another vehicle has come in that will be picked up on Friday.

Mr. Migliozi met with Bill Hart of the Trumbull County Maintenance Department regarding the building renovations at the health district. Mr. Hart feels that his department may be able to complete 90%-100% of the renovations, and we would only need to purchase the materials, as well as there would be no need for the writing of bid specifications, which would save a substantial amount of money. Mr. Migliozi asked that he be allowed to continue with the county maintenance department for these renovations.

**MOTION: 22-161** made by Mr. Dubos, second by Mr. Biery to accept the Health Commissioner's written report as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes

Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

- VI. Director of Nursing Report:** Mrs. Swann presented a written report to the Board for their review, and stated that there was a correction on page 5, under the Tobacco Use Prevention Cessation Program (TUPCP) information, where it listed that we had given out a total of 89 signs, it should read 159.

Mrs. Swann also introduced Stacey Altieri to the Board. Stacey is one of our new Family Support Specialists, and she started on September 19<sup>th</sup>.

Mrs. Swann stated that she wished to highlight one of the health district's programs, which is the Tobacco Use Prevention Cessation Program (TUPCP). Terry Merrick, one of the health district's public health nurses, has been the lead for the TUPCP grant for approximately 5 years. There are 5 schools in Trumbull County that do not have a 100% smoke free policy, and Terry has been working with them, providing them with information and a sample 100% smoke free policy so that they can update their policies to become 100% smoke free. When this program was started approximately 5 years ago, only about half of our school systems were smoke free. Additionally, Terry has been working with the city, village and township parks to pass resolutions, ordinances or policies to have their parks smoke free, and she has been successful in getting some communities to do so.

Mrs. Salapata asked whether the cases of Monkeypox listed under her communicable disease section were suspected cases, since Mr. Migliozi's report stated that there were none in Trumbull County. Mrs. Swann stated that yes, those were cases that were reported and investigated, but did not turn out to be cases of Monkeypox.

**MOTION: 22-162** made by Dr. Firster, second by Mr. Simon to accept the written report of the Director of Nursing as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

- VII. Director of Environmental Health Report:** Mr. Wilster presented a written report to the Board for their review.

**MOTION: 22-163** made by Mrs. Salapata, second by Mr. Biery to accept the report of the Director of Environmental Health as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata- Yes

Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

**VIII. Grants Coordinator Report:** Ms. Amerine presented a written report to the Board for their review. Ms. Amerine added that the health district did receive notification last week that the Cribs for Kids and Maternal and Child Health grants were continued for another year.

Mr. Messersmith questioned if any of the other grants had an expiration date that would have to be renewed. Ms. Amerine stated that the health district has several grant applications out. The COVID grants will depend upon if the state gets extensions from CDC as to whether those will be renewed or not, and the Workforce Development grants.

Mrs. Salapata asked on the last page where it talks about Confinement Facilities, as to what that is referring. Ms. Amerine stated that the confinement facility funding is a combination of ODH and Bureau of Justice Administration (BJA). Only health departments could apply for funding on behalf of confinement facilities and congregate living facilities, for COVID testing and contact tracing, and then the health district gets to keep 10% of that funding. Between those 2 grants and everyone that we spoke with, it will be approximately \$1,000,000.00 that will be distributed to the county, and the health district will keep 10% of that for administration costs and managing it fiscally.

**MOTION: 22-164** made by Mr. Dubos, second by Mrs. Salapata to accept the report of the Grants Coordinator.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

**IX. Accreditation Coordinator Report:** Mr. Bonacker presented a written report to the Board for their review. Mr. Simon questioned Mr. Bonacker's notation under COVID-19 Mitigation, wherein he stated that personnel under the administrative division are not working within the scheduled COVID-19 vaccination clinics, and asked what the significance of listing that was. Mr. Bonacker stated that he always reported to the Board what his COVID-19 mitigation activities were for the month, and that was just to note that he was no longer working after hours for those activities.

**MOTION: 22-165** made by Mr. Biery, second by Dr. Firster to accept the written report of the Accreditation Coordinator as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

- X. **Health Educator Report:** Mr. Kriebel presented a written report to the Board for their review. Mr. Kriebel also informed the board that he had received notification that the health district would be receiving \$125,000.00 of funding for 2023 for the Creating Healthy Communities grant.

**MOTION: 22-166** made by Dr. Firster, second by Mrs. Salapata to accept the written report of the Health Educator as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

XI. **Board Report: None**

Mr. Migliozi did notify the Board that Mr. Borocz was not in attendance at the meeting due to some health issues, and he was unsure of how long he would be out.

- XII. **New Business:** A. Declaration of Unfit for Human Habitation – 252 Ohio, Girard City, Steve Drake, Owner – Mr. Drake was present. A request was made by Girard city officials to determine if the structure at this location was fit for human habitation. An inspection was conducted on September 9, 2022, and the inspector noted the presence of solid waste, infestation of roaches and flies and gross unsanitary conditions. The inspector also noted that there appeared to be a hoarding issue.

Mr. Drake stated that he was notified by the city zoning department of an issue at this rental property, and asked that the health department be present for the inspection. Mr. Drake stated that he had no idea of the interior condition of the home. Prior to COVID, he did quarterly inspections of his rental properties, but stopped during COVID. Mr. Drake met the police department and health inspector, Michael Burke, and posted a 3-day eviction notice; there were also 3 children removed from the home. An exterminator had been contacted and a dumpster had been moved onto the property. The tenant has until September 29, 2022, to remove her belongings, and on September 30<sup>th</sup>, Mr. Drake will have a crew there to remove anything remaining and make all necessary repairs. Mr. Wilster asked Mr. Drake of his timeframe for cleanup. Mr. Drake stated that he plans to have the clean-up started on Friday, September 29<sup>th</sup>. Mr. Drake added that currently the tenant is no longer living there, but does have property there that she wants.

Following discussion, Mr. Wilster recommended that any action be tabled until the November meeting to allow the owner a chance to clean the property up.

**MOTION: 22-167** made by Mr. Simon, second by Mr. Biery to table any action regarding 252 Ohio, Girard city, until the November meeting to allow the owner a chance to clean up the property.

**Roll Call Vote:**

- Mr. Biery – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

B. Declaration of Unfit for Human Habitation – 149 E. Second St., Girard City, Norman & Opal Barringer, Owners – The listed owners of the property are deceased, and Ms. Brenda Pringle, the Barringers’ daughter, was present at the meeting. A request was made by Girard city officials to determine if the structure was fit for human habitation, and an inspection was conducted on August 15, 2022. Upon inspection, the inspector noted the presence of solid waste, neither the heating or electrical components were working, the water was shut off and the pipes were damaged, and gross unsanitary conditions.

Ms. Pringle stated that her son and daughter-in-law were living in the home, and she was unaware of the conditions. They are no longer living there, and she has started to clean the property up, most of the garbage had been removed and the carpet had been ripped up. Ms. Pringle stated that her plan is to finish getting it cleaned up and into a condition where it could be sold. Mr. Wilster asked if the property had gone through probate. Ms. Pringle stated that it had not, but she would be contacting a lawyer.

Following additional discussion, Mr. Wilster explained the process to Ms. Pringle, and recommended the Board declare the property unfit for human habitation.

**Motion: 22-168** made by Mr. Dubos, second by Mr. Biery to declare the structure at 149 E. Second St., Girard City, unfit for human habitation and a danger to life and health. The property owner must secure and make improvements, or raze the structure within 60 days. Failure to comply will result in the matter being turned over to the court of competent jurisdiction.

Dr. Firster questioned as to why this property was being handled differently than the prior declaration of unfit. Mr. Wilster stated that the difference was that Mr. Drake was the owner of the property, and Ms. Pringle was not; Atty. Kokor concurred.

**Roll Call Vote:**

- Mr. Biery – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

C. Variance Request – Dwayne Lacy – 446 St. Rt. 534, Braceville Twp. – Mr. Lacy present. This home was destroyed by fire, and Mr. Lacy is requesting a variance to allow the temporary installation of a manufactured home/trailer and the occupancy of the structure until a new permanent dwelling can be constructed on the property. The manufactured home shall be connected into the existing sewage disposal system. The system has been tested and was found to be

operating as designed, and a letter was received from Braceville Township allowing the temporary installation of a manufactured home on the property.

Mr. Wilster recommended the Board grant the variance as requested for a period of 120 days. Mr. Lacy stated that he needed at least 9 months. Mr. Wilster asked Mr. Lacy what Braceville Township said when he told them that he would need 9 months. Mr. Lacy stated that Braceville Township was working with him, and there was no problem. Mr. Wilster stated that he would amend his recommendation to allow for a period of 9 months, but if Braceville Township comes and wants Mr. Lacy to remove the trailer, then he will have to do that, but it has no effect on what we do. Mr. Wilster stated that he had not spoken with Braceville Township, he went with the 120 days because that was what was on Mr. Lacy's permit. Mr. Wilster suggested that Mr. Lacy contact Braceville Township and let them know that it is going to take more than 120 days to build his new home. Mr. Lacy agreed that he would do that.

**MOTION: 22-169** made by Mr. Biery, second by Salapata to follow the recommendation of the Environmental Health Director, and grant a variance to Dwayne Lacy, 446 State Route 534, Braceville Township, for a period of 9 months to allow the temporary installation of a manufactured home and connection to the existing sewage system. Once the variance has expired, the manufactured home/trailer shall be removed from the property and the new structure shall be connected to the existing home sewage treatment system. Any public health nuisance shall be abated.

**Roll Call Vote:**

- Mr. Biery – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried.

D. Authorization to Enter Into An Agreement with Emerald Environmental for Engineering Services – Mr. Wilster stated that as the Board knows Bill Makosky, who normally had performed our engineering reviews took another position; so, he and Mr. Migliozi looked into other engineering firms who had the required knowledge, could conduct our engineering reviews and be within our price range. Mr. Wilster requested authorization to enter into an agreement with Emerald Environmental Services for professional engineering services to review the 2023 C&DD renewal application of Lordstown Construction Recovery, Ohio Valley Waste's Transfer Station renewal application and a possible standalone facility that may be coming. The cost will not be over \$10,000.00; therefore, there is no requirement to put this matter out for bid.

**MOTION: 22-170** made by Dr. Firster, second by Mr. Simon to authorize the entering into of an agreement with Emerald Environmental for engineering services for the health district, for an amount not to exceed \$10,000.00.

Mr. Biery questioned as to Lafarge's renewal application. Mr. Migliozi stated that the Ohio EPA has not yet given their approval for the health district to act upon Lafarge's 2022 renewal application yet, but they are still required to submitted a 2023 renewal application.

**Roll Call Vote:**

- Mr. Biery – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes

Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

**XIII. Citizens Comments – None**

- XIV. Executive Session: MOTION: 22-171** made by Dr. Firster, second by Mrs. Salapata to go into executive session for the discussion of personnel matters related to the consideration of the appointment, employment or discipline of a public employee or official.

It was requested that Atty. Kokor, Mrs. Swann and Mr. Migliozi be included in the executive session.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

**MOTION: 22-172** made by Dr. Firster, second by Mr. Simon to reopen to public session.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried. (Closed 2:25pm – Reopened 3:15pm)

- XV. Approval of Payment of the Bills: MOTION: 22-173** made by Mr. Dubos, second by Mrs. Salapata to approve the payment of the bills as presented.

**Roll Call Vote:**

Mr. Biery – Yes  
Mr. Dubos – Yes  
Dr. Firster – Yes  
Mrs. Salapata – Yes  
Mr. Simon – Yes  
Mr. Messersmith – Yes

Motion carried.

- XVI. Adjournment: MOTION: 22-174** made by Mr. Biery, second by Dr. Firster to adjourn.

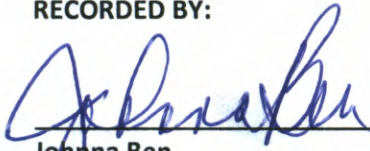

**Roll Call Vote:**

- Mr. Biery – Yes
- Mr. Dubos – Yes
- Dr. Firster – Yes
- Mrs. Salapata – Yes
- Mr. Simon – Yes
- Mr. Messersmith – Yes

Motion carried. (Adjournment 3:16pm)

## Health Commissioner's Report – September 28, 2022 Board of Health Meeting

### 1) Budget/Financial

- Attached is the monthly financial report for August 2022. The general fund is at a positive cash balance of \$472,959.57, and our all fund balance is at \$3,371,221.06.

### 2) Credit Card

- Quarterly update on the credit status has not changed.
- For the credit card transactions, please see the list of bills.

### 3) Vehicles

- Attached is the cost analysis for the month of August for the vehicles. The overall cost savings with the vehicles, for the month of August was \$2,018.60, with a YTD savings of a \$3,388.58.
- We have received 4 of the 6 replacement vehicles that we ordered from Mark Thomas Ford. We expect the remaining 2 vehicles to arrive in the near future.
- According to Diane Sauer Chevrolet, the Chevrolet Traverse is still in Michigan due to continued transportation issues.

### 4) Building/Grounds

- The shipping container that will be used as a storage pod in the parking has been delivered. We are now awaiting the pouring of the concrete pad on which it is to be placed.
- The computer server and wiring has all been relocated to the basement, and we have started relocating and repurposing the old server room on the 2<sup>nd</sup>

### 5) Union/Management

- None.

### 6) Policies/Procedures – Revisions - None

### 7) COVID-19 (Coronavirus)

- Since our last board of health meeting we have seen a steady drop in our 7-day case count from 376 to 226 as 9/19/22. Our case count per 100,000 dropped from 408.1 to 276.8, and our positivity rate dropped from 21.1% to 13.7%
- Although we have seen a significant drop in our case count, our CDC Community Level Prevention Strategy ranking is still a high ranking, or orange color code due to increased hospitalizations, which still exceed the threshold of 20; therefore, the recommendations continue to be to wear a mask indoors in public, stay up to date with COVID-19 vaccines, be tested if you are experiencing symptoms and take additional precautions as needed if you are at high risk for severe illness.
- The health district has begun offering the new Bivalent COVID-19 booster. This new booster is formulated to better protect against the Omicron subvariants. The bivalent COVID-19 booster is only available to those who have completed their primary series of shots, and can only be used as a booster. It is not to be used as a replacement for obtaining or completing a primary series of COVID-19 shots, and is not to be administered until at least 2 months after completion of a primary series of COVID-19 shots or receiving a booster.
- We assisted our county correctional facilities, as well as several long-term care and assisted living facilities in obtaining funding for their continued COVID-19 mitigation efforts in their facilities. I am pleased to announce that we were successful in obtaining a little over \$1,000,000.00 to help these facilities maintain a safe environment to prevent COVID-19 outbreaks. This funding was offered by ODH, and only local health districts could apply on behalf of these facilities; for our efforts, we were able to retain 10% of the awarded funding.
- Through our ongoing COVID-19 vaccination clinic collaboration with TCAP and Monument of Faith Church, we were successful in obtaining, through the State Office of Minority Health, a mobile health unit to come and provide lifesaving screening opportunities for local residents in those areas during our one of our clinics. The clinics were well attended and although the process took some time, several people received

advantage of the health screening opportunity. We are hopeful that we will be able to provide additional opportunities such as this in the future through our collaboration, as this area has been identified as a key strategy area in our Community Health Improvement Plan.

- We continue to offer and have available COVID-19 test kits for anyone who requests them.

#### **8) Accreditation**

- Our consultant, the University of North Carolina, developed a community health improvement document for both Trumbull and Mahoning Counties. They are currently in the process of separating the strategies identified by county, and each county will have a final document in the next week or so. As soon as we receive our county's Community Health Assessment and Community Health Improvement Plan documents, we will forward them for adoption hopefully by the October Board of Health meeting.
- Most of our required documents have been completed, and we have focused on our one remaining large document, which is our Workforce Development Plan. We have held a series of meeting, and those meetings are ongoing until the full review is completed so as to be in compliance with PHAB Standards 2022.

#### **9) Other**

- To date, there have been 237 cases of Monkeypox in Ohio, and zero deaths. Although we have had reports of 2 suspected cases in Trumbull County, after investigation and testing, those cases were found not to be Monkeypox. Currently, there has been no confirmed cases in Trumbull county, but our disease surveillance by our epidemiologist has been enhanced, and she continues to keep a close watch on this virus transmission as it developments, looking for any evidence of it in our county.

Trumbull County Combined Health District  
Nursing Department Board Report

---

**Board of Health Report September 28, 2022 for July & August 2022**

- As of September 5, 2022, TCCHD has distributed approximately 42,677 doses of COVID vaccine in Trumbull County and of those, 20,907 are first doses, 17,825 are second doses; 3,415 are first booster doses; and 530 are second booster doses. Seventy six doses of COVID vaccine was administered since the last board report. COVID-19 reported cases are decreasing. TCCHD has received both Pfizer and Moderna bivalent vaccines and have begun administering these booster vaccines to the public.
- Terry Merrick, R.N. is the lead for the Tobacco Use Cessation Program. Terry has been working with this grant program for about 5 years. Attached is the data provided by Terry for the schools, parks, cities and agencies that have a 100% smoke free policy or resolution. There are 5 schools in Trumbull County that do not have a 100% smoke free policy and Terry has provided them with a sample 100% smoke free policy so that they can update their policy with what is needed to become 100% smoke free.
- Attached is a copy of the overdose report for July & August 2022
- Attached is the July & August 2022 Project DAWN report, Influenza report and Animal Bite report.

Date: 09/19/2022

To: Trumbull County Combined Health District Board

From: Dan Bonacker, MPH, EHSIT, Accreditation Coordinator

RE: Board Report (09/28/2022)

- 
- **Accreditation:**
    - **Strategic Plan:**
      - Currently, strategic plan objective 5.1, (*Modify the current workforce development plan to include a succession component*), and 5.2 (*Revise or omit (portions or in entirety) the current "mentorship" program within the workforce development plan*), are being discussed within the workforce development meetings,
      - Strategic plan objective 5.3, (*Development 1 new workforce development program and 1 universal health equity modality aimed at increasing employee understanding of and achievement of health equity*), has begun with the implementation of the Workforce Development Core Competency Assessment given to every member of the TCCHD Staff. This assessment has several tiers for staff depending on their position, and incorporated a Health Equity Skills Assessment (Domain 4).
    - **Performance Management:**
      - The third quarter Performance Management (PM) Meeting is slated to occur on 10-19-22 from 10 am to 11 am. The corresponding PM dashboards will be updated and posted in the common areas outlined within the PM system document for all TCCHD employees to review during that week or the following week.
    - **Re-Accreditation Modules:**
      - I am currently viewing the re-Accreditation educational service modules that have been released.
    - **Workforce Development:**
      - Elements B (*an organization-wide assessment of current staff capabilities against an accepted set of core competencies*), and C (*findings from an equity assessment that considers staff competency in the areas of humility, diversity, or inclusion*), of Standards and Measures version 2022 for workforce development

---

OFFICE: (330) 675-2489 \* FAX: (330) 675-2494 \* CLINIC FAX: (330) 675-7875

...Building a Healthy Community

have been achieved with the introduction of the Workforce Development Core Competency Assessment which was administered from 8-22-22 thru 9-16-22. The results are currently being tabulated and will be initially shared with the committee during the next workforce development meeting which is scheduled to occur on 9-29-22, from 10 am to 11 am.

- **Quality Improvement:**
  - All elements of the Quality Improvement Plan have been fulfilled and the plan will be fully implemented after the 9-28-22 board meeting.
- **Community Health Assessment/Community Health Improvement Plan CHA/CHIP Plan:**
  - The TCCHD is currently awaiting the finalized drafts of both the Community Health Assessment, and the Community Health Improvement Plan.
- **Covid -19 Mitigation:**
  - Currently, personnel within the administrative division of the TCCHD are not working within the scheduled Covid-19 vaccination clinics.
- **EHSIT/REHS Endeavors:**
  - I am currently studying the 2022 study guide for the REHS exam, and have yet to re-schedule the exam,
  - I am resuming my monthly SIT stops with other REH's to fulfill this standard outlined with ODH.

**Report of the Health Educator  
Trumbull County Combined Health District  
Kris Kriebel  
Updates for September 28th Board Meeting**

Creating Healthy Communities Grant

• CHC Grant Activities:

CHC Coalition:

- Attended CHC Mandatory All-Project Conference Call

Partner Organization Activities:

- Attended Healthy Community Partnership Steering Committee meeting
- Attended September Bike Spin event meeting
- Attended HCP Healthy Food Retail Action Team meeting
- Attended HCP Active Transportation Action Team meeting
- Attended Safe Streets for All Lunch and Learn at Eastgate Regional Council of Governments

Trumbull County Strategies:

- Met with Director of Salvation Army to discuss surveying residents. Trained volunteer to facilitate survey to residents.
- Held Trumbull County Food Access meeting to recap data collected
- Held Trumbull County Food Access meeting to review strategies and recommendations
- Conducted site visits to 2023 Healthy Food Retail community stores

Warren City Strategies:

- Spoke with Warren City Council President, John Brown, to help with the bike infrastructure at Trumbull Family Fitness.
- Burbank Park project delayed until the end of October

Niles City Strategies:

- No updates at this time

TCCHD

- Attended Workforce Development meeting

Plans for October 2022

- Attend Healthy Educators' Institute
- Attend HCP Active Transportation Action Team meeting
- Attend HCP Healthy Food Retail Action Team meeting
- Attend HCP Parks and Green Spaces Action Team meeting
- Attend HCP Steering Committee meeting
- Site visits to local community stores to build relationship for healthy food retail projects
- Work with Salvation Army to gather additional resident survey data
